POSITIVE SPACE

2022 Magazine St. New Orleans, La. 70118 Tel: (504) 522-1394

Positive Space The Gallery opens its fall season with a show of art inspired by and created with the remnants of guns taken off the streets of New Orleans. Brian Korman, the show's curator, has organized more than 70 local artists: sculptors, painters, photographers, furniture designers, music composers, glassblowers, jewelry makers, and fabric artists to contribute work. In conjunction with the exhibition, on the morning of the opening, Operation Hope/Guns for Goods will host two gun swaps across the metro area. A portion of the proceeds from sales goes to Operation Hope.

Opening reception: 6-10pm, Saturday September 7th  
 Show runs through September 7th to October 4th  
 Gallery hours: 11am to 6pm, Thursday - Sunday
